Income Limits for Applicants

CalWORKs regulations provide for a gross income limit which is determined by subtracting \$90 from the earned income of each employed person, then adding all remaining earned and unearned income to determine the gross income for the family. That amount is then compared to the MBSAC (Minimum Basic Standard of Adequate Care) level for the family size. If the family's total gross income after the \$90 earned income deduction exceeds the MBSAC level for the family size, the family is not eligible.

MBSAC (Minimum Basic Standard of Adequate Care)

The following chart reflects the current (7/01/2011) MBSAC levels:

# of Persons	MBSAC Amount
1	\$530
2	\$870
3	\$1078
4	\$1282
5	\$1463
6	\$1645
7	\$1804
8	\$1969
9	\$2128
10	\$2317
11 & up	+\$21 per person

Client Responsibility

Once aid is granted, the CalWORKs family must report changes in their income, household composition and property to their case manager every quarter on their Quarter Eligibility/Status Report (QR 7). Some other things must be reported within 10 days of occurrence: a member of the household becomes a fleeing felon, is convicted of a drug felony, violates a condition of parole/probation or the combined earned and unearned income of the household exceeds the Income Reporting Threshold (IRT) for their household size.

An annual redetermination of eligibility is required for CalWORKs recipients.

MAP (Maximum Aid Payment)

The MAP (Maximum Aid Payment) level is established by the California State Legislature based on family size. Families who do not have any income other than CalWORKs receive MAP.

MAP levels vary based on whether or not the adults in the household are able to work.

The MAP level for households with adult caretakers who are able to work is lower than the MAP level for households with adult caretakers who are not able to work. This is called the **Non Exempt MAP Level**.

When the adults in the household are not able to work because of a temporary or permanent incapacity, the family receives a higher MAP. Child only cases, i.e., cases where no adults are receiving aid, also receive the higher MAP level. This is called the **Exempt MAP Level**.

The following chart reflects the current (07/01/2009) Non Exempt MAP and Exempt MAP levels:

# Persons on Aid	Non Exempt MAP	Exempt MAP
1	\$300	\$334
2	\$490	\$550
3	\$608	\$681
4	\$725	\$809
5	\$825	\$923
6	\$926	\$1,035
7	\$1,016	\$1,137
8	\$1,109	\$1,239
9	\$1,198	\$1,340
10 or more	\$1,286	\$1,439

Work Disregards

When a cash aid recipient is employed or receives disability based income, CalWORKs regulations allow the following deductions from the gross income:

- For disability based income, up to \$225 can be disregarded (known as \$225 DI)
- As of 7/1/2011, the Earned Income Disregard (EID) has been changed so that any amount of the \$225 DI remaining, or \$112, whichever is less, will not be counted as income when cash aid is calculated
- 50% of the earnings remaining *after* the above disregards are also deducted

Any income remaining after the above deductions are subtracted from the gross income, is then subtracted from the MAP amount to determine a full month CalWORKs grant.

Homeless Assistance

Families who are eligible for CalWORKs and who are homeless can apply for a special need payment to meet their costs for temporary and permanent housing. The maximum Homeless assistance payment is based on the size of the CalWORKs family.

Homeless Assistance is available only once in a lifetime unless the family is homeless due to domestic violence, natural disaster, uninhabitability, or a physical or mental disability. All exceptions must be verified by a third party agency.

CalWORKs families may be eligible to apply for Homeless Assistance benefits to assist with the payment of rent arrearages. Payment of arrearages is considered a family's once in a lifetime Homeless Assistance payment.

VAPP (Voluntary Alternative Payee Payment)

CalWORKs recipients may request that their rent or mortgage payment be paid directly to their landlord or mortgage holder. The rent or mortgage amount is deducted from the cash aid payment made to the recipient.

Direct Deposit

CalWORKs recipients may request that their cash aid be automatically deposited into their personal bank account. Applications with instructions for this program are available at each bureau.

Cal Learn

The Cal Learn program, for pregnant or parenting teens has been suspended until 6/31/2012

Medi-Cal

Family members who receive CalWORKs would generally be eligible to receive Medi-Cal benefits at no share of cost. A separate application is not required.

CalFresh – formerly called Food Stamps

If a family is found to be eligible for CalWORKs, the family may also be eligible to participate in the CalFresh Program. A separate application is not required.
