

*Electronic Benefit Transfer (EBT)  
Golden State Advantage Card*

**TO RECEIVE YOUR CALFRESH BENEFITS**

If you meet all the requirements for EXPEDITED SERVICE you will get an Electronic Benefits Transfer Card within three days after you turn in your CalFresh application.

**Using Your Card.** You can use your card just like a debit bankcard at any grocery store that will accept EBT. You may use it for any amount up to your remaining balance.

**Who Will Take My Card?**

Most large grocery stores and many smaller stores, some Certified Farmers' Markets will accept your EBT card.

You will be given full details on how and where to use your card when your application for CalFresh is approved.

**HOW MUCH WILL I GET?**

If you are eligible, the amount of CalFresh benefits you receive each month will be based on how much income you have, how many persons are in your home and how many special income deductions you are entitled to.

When you are approved for benefits, you will receive a letter (Notice of Action) telling you how much in CalFresh benefits you will get each month and for how long; usually CalFresh benefits are approved for six months to a year.

Any time your benefit amount is changed, you will receive another notice telling you what the change is. If the change reduces or stops your CalFresh benefits, in most cases, you must receive a letter ten days before your CalFresh benefits are reduced or terminated. The notice of action letters you receive explain all of these rights for you and show you how to request a State Hearing; your benefits may be continued unchanged until after the hearing.

**BE SURE TO READ ALL NOTICE OF ACTION LETTERS YOU RECEIVE.**

The date of your application is the date we receive it in the county office. Be sure to turn it in before you leave the office today. Tell the receptionist if you need help in filling out the forms.
