

Job Talk

An easy way to get job opening information.

JobLink career development professionals will be available to provide referrals to hundreds of current job openings, job search information, access to E.D.D. CalJOBS, access to employment resources & publications, and job search assistance to current Sacramento County public assistance recipients as well as the general public.

You should attend if you are job ready and:

- ▶ can complete a job application
- ▶ can communicate your job skills in an interview
- ▶ can arrange childcare and transportation to and from work

*Bring your master application or resume (if available)
